Re: Information for Docket 2007-286-WS

Dear Public Service Commission,

From January 1, 2005, to December 31, 2006, the USSC states \$7000 was spent on improvements to Hill and Dale subdivision. According to USSC \$3,000,000 was spent in total improvements. As one can see Hill and Dale subdivision received very little benefit in contrast to the total of \$3,000,000 spent . I live in Hill and Dale and own three properties which are serviced by USSC. As a result of this contrast I object to the rate increase proposed by USSC that would affect Hill and Dale subdivision .

Sincerely,
